Our Vision

Our vision is to create a nurturing and inspiring educational environment where students develop a love for learning, discover their passions, and reach their full potential.

Welcome to BIS

Founded in 2009, Bekal International School is a co-educational, English medium school located at Velutholi, Pallikara. The school imparts International level education through strong academic training using up-to-date and innovative methods. Our school is able to provide a low student to teacher ratio of 25:1. The teachers are well qualified, experienced, and trained. The school has well-established laboratories, a library, and a playground. The school also has excellent facilities connecting almost all the routes of 20 kilometers radius. Bekal International School is made up of Preschool, Montessori, Primary and Secondary sections. Our mission is to ensure success in all areas of development. Our schools offer excellent opportunities for students as they prepare for their future.

Friendly Teaching

We give importance for child centred teaching in our school; prioritising the individual needs and interests of students. This approach aims to create an inclusive and engaging environment tailoring education to the diverse learning style of each child.

Value-Based Education

Value-based education in CBSE schools focuses on instilling ethical and moral values in students alongside academic learning. It aims to develop character, empathy, and a sense of responsibility. Through various activities, discussions, and examples, students are encouraged to understand and practice values such as honesty, respect, compassion, and integrity, preparing them not just academically but also for responsible citizenship.

GREEN CAMPUS

A Green Campus In a CBSE School promotes environmental sustainability and ecofriendly practices. The curriculum often includes environmental education among students.

DIGITAL ROOM

The digital room facilitates a dynamic and technology-driven educational environment, fostering digital literacy and preparing students for the modern-tech centric world. We also conduct computer classes with new technology of AI, robotics and a smart class learning

SWIMMING POOL

Swimming pool is not only a valuable life skill but also promotes physical wellbeing and contribute to a holistic approach to education by supporting students overall health and fitness.
