കേരളം KERALA

Where as the members of the Founder Trustees mentioned here in below have met and discussed the present conditions of Educationally, Socially Financially and Economically Backward Minorities, Scheduled Caste, Sheduled Tribe and all Other Backward Classes and Minority Communities and also discussed the need to provide schemes for their education, employment, training and welfare.

Where as it is unanimously felt that there is an urgent need for organized efforts to improve their conditions and uplift them in educational, social, economical, moral and ethical spheres by inculcating in them higher values, communal harmony with secular character, quality traits and a sense of social commitment by taking a holistic approach in education, employment, training and investments.
